# About the Author

This author has authored things in the past and they will hopefully do so again in the future. Who knows?

# Action!

The book is done (for now) but there's still more to learn and do! In this section I'll provide a few things you want to bookmark or buy.

## Websites to Bookmark

You should bookmark the following locations for your own reference and education for later.

## Additional reading

Want to learn more and take the next steps? Check out the following resources.

## Next Steps

You've come this far. Take some time off, and then go build the next big thing.

# Acknowledgements

Thank you, dear community, for the inspiration.

Thank you Dan Allen (@mojavelinix) [<http://twitter.com/mojavelinux>] and the Asciidoctor [<https://asciidoctor.org>] community for their tireless work on such an amazing technology.

Thank you!
